

## LAFAYETTE GENERAL MEDICAL CENTER

### Explanation of Charges

***As a courtesy*** our staff will:

- attempt to verify your insurance coverage.
- notify you of any required deposit for amounts not covered by your insurance plan.
- submit bills directly to your insurer.

**It is your ultimate responsibility to obtain preauthorization for your procedure if required by your insurance.**

---

***Your doctor*** has referred you to us for tests and/or surgery.

LGMC will:

- bill a facility charge which includes X-ray, laboratory, equipment, supplies, drugs and nursing care provided during your visit.

Your doctor, anesthesiologist, radiologist and pathologist will:

- bill you separately for their professional services
- 

***If you have any questions*** about the **charges** on your bill:

- please call 289-7287. We will be most happy to assist you in any way.
- 

***For all other questions call 289-8000.***
